NOTES TO THE FINANCIAL STATEMENTS

1 Accounting policies

The significant accounting policies adopted are:

- (a) On the 22 September 2022, the Charities Regulator approved the amalgamation of the following charities, The Victoria Jubilee Masonic Benevolent Fund (RCN 2001308) and Masonic Welfare Fund (RCN 20032098). They further approved the transfer of the assets of the Victoria Jubilee Masonic Benevolent Fund to the Masonic Welfare Fund. The Charities Regulator also approved the change of name of the Masonic Welfare Fund to Freemasons of Ireland Victoria Jubilee Masonic Benevolent & Welfare Fund. These financial statements represent the transactions of the Masonic Welfare Fund up to 22 September 2022 and the amalgamated fund from 22 September to 31 December 2022. The comparative figures are the Masonic Welfare fund only.
- (b) The financial statements are prepared under the historical cost convention. The market value of investments (mid-market price on the balance sheet date) is disclosed on the balance sheet.
- (c) Revenue and costs with the exception of investment income are accrued as they are earned or incurred. Investment income is dealt with on a cash receipts basis and the related tax credits recoverable are accrued at the same time.
- (d) The book value of investments is the cost of purchased investments or the market value on the date and investment is received where the investment is received by way of bequest or donation.
- (e) Assets and liabilities denominated in currencies other than Euro are translated into Euro using the closing rate method. Differences on translation are taken into Income and Expenditure. Income and Expenditure in currencies other than Euro are included in the income and expenditure account at the average rate of exchange during the year.
- (f) Expenditure of a capital nature is charged to the income and expenditure account in the year of expenditure.
- (g) The investment in a share of Heather House is stated at a proportion of cost and is not depreciated.
